

Toledo Artists' Club – “Artist’s Showcase”

August 8, 2018

The Purpose of the “Artist’s Showcase” is to give the TAC Active Members another opportunity to sell their art at the Club, to generate revenue for the club and to spot light Art in the studio. TAC has changed the policy for the Artist’s Showcase. We have combined the two sessions into one continuous session and eliminated the \$20 fee to hang your work.

Guidelines and Policy:

- **The Artist Showcase is open to all TAC Active Members.**
- **There will not be any charge to hang your work. Artists are encouraged to periodically change out their work in order to maintain a “fresh” look in the studio.**
- All items MUST be for sale; TAC will handle the sales and retain a 25% commission plus the sales tax for each piece.
- Members are limited to three pieces.
- Space will be available on a first come basis. If, in the future, the Club has a waiting list for space, TAC will institute a reservation system that will be defined at that time.
- All artwork MUST be framed and suitable for wall hanging.
- ALL Artwork must display a Label with the following information.:
 - Artist’s name.
 - Medium.
 - Title.
 - Price
- Art Labels will be supplied by the Artist and must be neat and clearly displayed on each work by the artist. Do not tape labels to the walls. Art will be removed if it does not have a suitable Art Label.
- Artists are responsible for hanging and removing their art. TAC reserves the right to move and rehang works as necessary.
- The Showcase will run from the Thursday after the Annual TAC Art Auction (generally about mid-April) through October 31. All art must be removed within 10 calendar days after the end the showcase. Work that has not been removed will be taken down and placed in the storeroom.
- Art left in the storeroom for more than 30 days will be disposed of unless prior arrangements are made.
- The Artist Showcase will be closed and art work removed for the period beginning on November through March to allow space for other events such as, Heralding the Holidays, Elaine’s Children’s’ Art Show and the Annual Auction.
- TAC reserves the right to shorten, modify or cancel the Showcase.
