Get Involved

The Club needs someone to be in charge of finding and coordinating volunteers to help fold the sketchpad for mailing once a month. Time required about one hour and every little bit helps. Call Cynthia at 419 531 4079 or email to toledoartist@sbcglobal.net.

MACK WALTON, May Artist of the Month. My life as an artist started in the second grade at Gunckel School, seeing a boy copying pictures from comic books drew my interest in drawing. He was my first art teacher. I continued pursuing art by drawing and taking art in junior high and high school. At Scott High School I majored in art under the tutelage of Mr. Cuthbert Ryan. He taught us by using students as models. Mr. Ryan saw my work and encouraged me to pursue art as a career. Unfortunately, after high school, unable to obtain financial backing, I entered the Air Force. After serving for eight years I worked at Jeep for twenty-four years. While working I painted portraits for 80 to 100 of my fellow workers. The GI bill financed my schooling with the Famous Artist Painting Course in Westport, Connecticut. My paintings are done in oil, although I have tried watercolor, charcoal, pastel, etc. I love oil for the effects. I enjoy painting all things that are real. The works I have seen while exhibiting here at the Toledo Artists' Club are dynamite. I am not an educated scholar. I think that many artists have fallen for abstract art. As a trained artist I do not understand why great artists could buy this.

Juror's Comments

I was very impressed with the level of participation for this botanical & still life exhibit. Not only were there multitudes of subjects, the level of artistic talent overall, was very impressive. The works receiving awards were chosen for their composition, color, use of technique, and overall impression. I encourage all of the participating artists to continue producing better & better works.
